frequently asked questions

How does MultiVitamin Power Recovery Cream compare to MultiVitamin Power Recovery Masque?

Should my client use both?

MultiVitamin Power Recovery Cream is designed for daily use, to help prevent stressed skin. MultiVitamin Power Recovery Masque is an as-needed treatment to rescue stressed skin – once a week or whenever your client is experiencing stressed skin. For optimal results, your client can use both: the cream for daily defense and hydration, and the masque as a weekly treatment.

What kind of client is MultiVitamin Power for?

MultiVitamin Power formulas are for all skin types – especially consumers with stressed skin and the appearance of fine lines, loss of elasticity, dehydration, and dullness.

Do my clients need to use all the MultiVitamin Power products to see results?

Clients do not need to use all MultiVitamin Power products to see results. Each product is formulated to deliver specific benefits and can be effective on its own. However, incorporating multiple products from the line can help maximize your client's skin care regimen's overall impact.
